*Proven strategies to put struggling students on the path to success!*

This book offers educators much-needed tools to break the cycle of failure for students who are unsuccessful in school. With vignettes and reflective practice scenarios and questions, this book provides:

- Strategies for parental involvement, multi-tiered instruction, peer learning models, and universal design for learning
- Approaches for fostering student success before a child is referred to special education
- Practices and programs that address the needs of at-risk populations, including English language learners, children living in poverty, and learners with disabilities
- Interventions and positive support for learners with behavioral challenges
