Six paperback volumes, plus one index volume, of B.H. Roberts' Comprehensive History of the Church of Jesus Christ of Latter-day Saints. This set is Roberts' own work, to be distinguished from the 7-volume History of the Church, which is Roberts' edition of Joseph Smith's journal entries and other documents and writings. This set contains information about the Church's history not to be found in any other works, and is an invaluable aid for students of early Mormon history. It also has the merit of carrying the Church's history into the early parts of the 20th century. Now out-of-print in either the hardback or softcover editions.
