Mary Shelley

Frankenstein (Case Studies in Contemporary Criticism) Mary Shelley

This revision of a widely adopted critical edition presents the 1831 text of Mary Shelley's English Romantic novel along with critical essays that introduce students to *Frankenstein* from contemporary psychoanalytic, Marxist, feminist, gender, and cultural studies perspectives. An additional essay demonstrates how various critical perspectives can be combined. In the second edition, 3 of the 6 essays are new. The text and essays are complemented by contextual documents, introductions (with bibliographies), and a glossary of critical and theoretical terms.
