## **The society says it was wrong to fall for a College student—especially if she was your student...**

**Spanish professor Rafael Lopez was more than ready to let loose and find a wanton woman in bed to take for the night. Never expecting to find a young dark-haired beauty that definitely peaked his interest.**

A UK native College student Susannah Jones was never meant to meet the handsome Spaniard from the bar she went to for the night. Alone and happy to be free from college demands, she sets out to the nearest club and danced away the night. Never expecting to meet a good-looking man that seemed to know his way on a woman's body and since she needed to improve her Spanish—meeting a sexy Spaniard seemed to be the key.

After transferring to hot Madrid, Spain from rainy England, Susannah was more than happy to let go of her concerns and dance away the night and become the wild and loose woman she had always wanted to be. After a few martinis later, she found herself coming home with the handsome Spaniard and learning the real experience of seduction and the wickedness he ignited between the bedroom sheets.

Just as soon as she thought she found the right man, Susannah found out that the mysterious Spaniard has disappeared and left in the middle of the night. Leaving her heartbroken and only to find out that he was to become her new Spanish professor from College.

But as these two explore the forbidden passion, a powerful attraction that pulled them together in the beginning was getting in the way of their platonic relationship. And as their connection questioned the moral aspects of the society, Susannah and Rafael found themselves facing conflicts at the strong demand of people—especially now that his ex-fiancée Grace had come back to take him back...

*“Susannah. Susannah Jones,” she replied immediately, scolding herself for sounding too eager. It may have been ages since a man peaked an interest in her—or perhaps vice versa. She was a healthy twenty-one year old woman who wanted to find herself and discover her own sexuality. Sure, she had been with men, but none of them had been as good nor rakishly handsome as the same man who sat before her, his brown eyes clouded over with an emotion she could not quite put her finger on.*

*“What about you? What’s your name?” she queried, leaning her forearms against the countertop as she studied the gorgeous man in front of her.*

*“Rafael Lopez,” he answered, his voice husky and unbelievably warm.*
