Add pizzazz to any quilt by capturing the vibrant energy of string piecing. The authors show how to create exciting and graphic quilts using 'strings', narrow strips of fabric, sewn to a paper or fabric foundation. You can chain piece your strings for fast and easy sewing - fun to do alone or with a friend. Twelve simple and delightful string quilt patterns, with complete step-by-step instructions, will introduce you to the unlimited possibilities of this classic technique. The patterns give a colorful new look to such traditional favorites as Spools, Lone Stars, and Kaleidoscopes. **AUTHORBIO:** Bobbie Aug and Sharon Newman met in Paducah, Kentucky, at the 1989 American Quilter's Society Show. Both were in the first group tested and certified as quilt appraisers by AQS. Currently, both serve as members of the AQS Appraiser Certification Program Committee. Sharon also serves as the program's administrator. **REVIEW:** Rob Holland of Planet Patchwork says, "Another venerable technique, string piecing, is given a fresh treatment in Bobbie Aug and Sharon Newman's new book. String piecing provides a way to break free of blocks (though it can also be used in blocks) and to add energy and surprise to your designs. Much of the energy in some African-American quilting stems from the string technique."
