The Norton Anthology of World Religions: Judaism

The Norton Anthology of World Religions: Judaism

This groundbreaking new Norton Anthology enables the six major, living, international world religions to speak to students in their own words.

Edited by world-renowned scholars under the direction of Pulitzer Prize–winner Jack Miles, *The Norton Anthology of World Religions* provides a flexible library of more than 1,000 primary texts from the world’s major religions—Hinduism, Buddhism, Daoism, Judaism, Christianity, and Islam—in six portable paperbacks. This anthology unites foundational works—the *Bhagavad Gita*, the *Daode jing*, the Bible, the Qur’an—with the writings of scholars, seekers, believers, and skeptics whose voices have kept these religions vital for centuries, allowing instructors to shape a variety of courses. The selections are supported by the meticulously prepared apparatus—introductions, explanatory annotations, bibliographies, maps, and glossaries—for which Norton Anthologies have set the standard for fifty years.

Unprecedented in scope and approach, *The Norton Anthology of World Religions: Judaism* brings together over 300 texts from pre-Israelite Mesopotamia to post-Holocaust Israel and America. The volume features Jack Miles’s illuminating General Introduction—“How the West Learned to Compare Religions”—as well as David Biale’s “Israel among the Nations,” a lively primer on Jewish history and the core teachings of Judaism.
