For the first time, all the works to which Van Gogh refers are shown alongside the letters—not only the paintings and drawings that he himself was working on at the time, but also the works of art by others that he mentions.

In over 900 letters we see Van Gogh's thoughts and opinions at first hand, as well as his close ties with his brother Theo, his sometimes troubled relationships with friends and fellow artists, his personal doubts and fears, and above all his overriding passion for his art. Over 4,300 illustrations, full-color throughout
