What do you do with an empty womb and a broken heart? Have you heard yourself say, “I want to get pregnant!” or “Why can’t I get pregnant?” As years of trying to conceive go by, women read infertility books about the best ways to get pregnant, fertility foods, signs of infertility and tips on how to get pregnant faster. People turn to infertility Christian books for encouragement. Women trying to get pregnant often think about how to have a baby or how to get pregnant. Hopes rise with infertility treatments, eating fertility foods or reading tips to get pregnant on an infertility blog. The causes of infertility in women are often unknown, but while coping with infertility, Betsy has learned ONE THING for sure: God is FOR us, not AGAINST us. While trying to get pregnant she has gained a greater sense of hope.

This book describes the emotions of trying to conceive, motherhood dreams, long waits, and 4+ years of trying to increase fertility and trying to get pregnant. Similarly to an infertility devotional, in this book the author tells of encouragement that she received along the way that showed her that nothing is impossible with God.

Do you just want to understand infertility? This book will help. Maybe you’re dealing with infertility. If you’re trying to get pregnant or facing infertility treatments and you want more than just info on how to have a baby and how to get pregnant, read about one woman’s journey of having hope when a situation looks hopeless.

Does your desire for motherhood seem impossible? Have your hopes led to disappointment? Are you facing delayed dreams? Do you want to overcome a challenge to your faith?

Maybe you've dreamed of being a mother ever since you were a child, and your dreams remain just that. Maybe you face secondary infertility, and your child does not yet know the joy of growing up with siblings. Or, perhaps you would like to gain some insight into the infertility battle to help someone that you care about.

This is one woman's story. She's happily married, childless, in her mid-30's, and struggling to become pregnant. Here is Betsy's story of the emotional roller coaster called infertility. Despite her pain and disappointment, she began to realize that God is for her and not against her. Throughout her challenging personal journey, Betsy shares her steadfast understanding that God is good, regardless of the circumstances. If you need encouragement in your delayed dreams, then this book is for you. You are not alone!
