Wives & Lovers: Three Short Novels Richard Bausch

Wives & Lovers is a collection of three short novels from the author whom the *Boston Globe* calls "one of the most expert and substantial of our writers."

Requisite Kindness -- published here for the first time -- tells the story of a man who must come to terms with a life of treating women badly when he goes to live with his sister and dying mother. *Rare & Endangered Species* demonstrates how a wife and mother's suicide reverberates in the small community where she lived, and affects the lives of people who don't even know her. Finally, *Spirits* is about the pain that men and women can -- and do -- inflict upon each other. These three very different works illuminate the unadorned core of love -- not the showy, more celebrated sort but what remains when lust, jealousy, and passion have been stripped away.
