Written by the author of highly effective psychology texts that are relied upon by thousands of teachers and students, John Santrock's *Educational Psychology* excels in showing future teachers how to put theory into practice. The text reflects the voices of today's teachers and students, and includes numerous case studies to help pre-service teachers understand how to apply educational psychology. It covers the latest research and offers fully integrated technology and supplement programs to support student learning. A new panel of thirteen expert education consultants participated in the text's development, ensuring the most comprehensive, up-to-date coverage.
