The hugely popular early chapter book series re-emerges with a new look! Brand-new eye-catching cover art brings a modern feel to this classic monster series for young readers.

Eddie's Great-aunt Mathilda is sick and he has to help take care of her. But when Eddie and his friends visit Mathilda's house, strange things start to happen. Howie sees someone staring at him from the attic window and, when his back is turned, his garlic potato chips are used to spell the word ATTIC on the ground. During later visits the kids hear noises from the attic, but Great-aunt Mathilda swears there's nothing up there. Could the ghost of Eddie's Great-uncle Jasper, who died years ago, be haunting his aunt's home? The Bailey School kids will find out!
