Go the Fk to Sleep** Adam Mansbach

Go the Fuck to Sleep is a bedtime book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Beautiful, subversive, and pants-wettingly funny, *Go the Fuck to Sleep* is a book for parents new, old, and expectant. You probably should not read it to your children.

This is a fixed-format ebook, which preserves the design and layout of the original print book.
