Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. The Handbook (formerly the Church Handbook of Instructions and earlier the General Handbook of Instructions) is a two-volume book of instructions and policies for leaders of The Church of Jesus Christ of Latter-day Saints (LDS Church). The books are prepared by the First Presidency and Quorum of the Twelve Apostles of the church. Along with the Church's standard works (i.e., its scriptural canon), the Handbook stands as the preeminent policy and practice guide for the leaders of the LDS Church. The LDS Church only distributes copies of the handbook to individuals who fill certain leadership callings within the church hierarchy, although one of the two volumes is available for free on the church's official website.
