O Pioneers! Willa Cather

Cather's sentimental and somewhat controversial novel tells the story of the Bergsons, a family of Swedish pioneers that settles for life in the American prairie. While Alexandra, the family matriarch, is able to turn the family farm into a financial success, her brother Emil must grapple with the tragedy of solace and forbidden love. A novel surprisingly ahead of its time, this proto-feminist work touches upon a wide range of themes, including love, marriage, temptation, and isolation.
