## **Stalemate: The Third book in the Red Gambit Series** Colin Gee

The third in the 'Red Gambit' series, Stalemate deals with the events of the Third World War, up to 25th October 1945. Relating the experiences from both sides of the divide, and from all levels. 'Stalemate' deals with the man in the trench, through the pilot in his fighter, through to the Generals who direct the war from their command centres. 'Stalemate' brings the first stages of WW3 to a climax on the Alsatian plain, a sleepy town in Holland, and an insignificant town in Germany, whose name is now synonymous with death on a grand scale. [The 'Red Gambit Series' novels are works of fiction, and deal with fictional events. Most of the characters therein are a figment of the author's imagination. Without exception, those characters that are historical figures of fact or based upon historical figures of fact are used fictitiously, and their actions, demeanour, conversations, and characters are similarly all figments of the author's imagination.]
