The Handbook of Language Teaching

The Handbook of Language Teaching

Bringing together an international and interdisciplinary team of contributors, this *Handbook* is a wide-ranging and invaluable reference guide to language teaching.

- A comprehensive reference work on language teaching, which combines the latest research findings, coverage of core topics, and examples of teaching experience from a variety of languages and settings
- Provides a unique breadth of coverage, including: the psycholinguistic underpinnings of language learning; social, political, and educational contexts; program design; materials writing and course design; teaching and testing; teacher education; and assessment and evaluation
- Offers a balanced evaluation of the major positions and approaches, including examining the increasingly important social and political context of language teaching
- Written by an international and interdisciplinary group of authors from a dozen different countries; English is only one of the many languages used as examples throughout the volume
