In this unusual, Christian speculative fiction novel, Cara Peirce wants to help people. She wants love but making connections in real life just isn't something she's good at. Through an unsettling turn of events, Cara finds herself a mostly-willing participant in a bizarre life in which she only feels truly alive in her dreams. Her surreal adventures in other realms seem important, somehow. And, almost every night, she dreams of the same guy - Blaze Saxon. In the end, only whispers remain. But the end is only the beginning. This is the story of a faded dreamer.
