Inventario Tres (Spanish Edition) Mario Benedetti

All the poems in this work are those that the author has published between 1995 and 2001. Some poems that were later made into songs appear in both versions. As in the previous Inventario books, this one starts with the most recent poems and concludes with the oldest, perhaps with the hopes that the reader, by having access to this work through the newest and nearest door, will soon be tempted to open other doors, as if doing an inventory.
