In recent years, historians and biblical scholars have been in active pursuit of the Jesus of history. These efforts have relied heavily on extra biblical documents, since many historians consider the Bible to be propagandistic and biased. Darrell Bock, however, argues that when read together, the Gospels provide a clear picture of Jesus and his unique claims to authority. Jesus according to Scripture seeks to show the coherent portrait of Jesus that emerges from the Gospels, a portrait that is rooted in history and yet has produced its own historical and cultural impact. Now available in paper, Jesus according to Scripture is an excellent textbook for courses on the life of Jesus at both the advanced college and seminary levels. Pastors, teachers, and all those interested in Jesus and the Gospels will also enjoy this scholarly yet accessible book.
