A new man. More cupcakes. Another chance at life?

Can you still really get another shot at life? Or is that thought just a figment of one's imagination?

Emmy has been through the toughest things these past couple of months. First was the death of her old friend, Annabeth Meyer, whom she saw die right in front of her eyes. And then there was the wedding at the resort. It resulted in the death of Edward, the husband of Ruby, who was actually Daniel's ex. When Ruby died, too, Emmy felt even worse than she ever did before. Then she and Daniel broke up, and things haven't been the same since.

She felt scared. She didn't know what to do with her life. And she didn't know if there was any chance for their businesses to come back on top. She felt like she hit rock bottom, but she had no idea if she could get back up.

Three months later Emmy received an invitation from Frank Albert Holt - a man she didn't even know. She wondered why she got invited to the party but eventually decided to go. Then she realized that Frank was actually a guy who could change her life - for better or for worse.

Meeting Frank will take Emmy into an adventure of the unknown. She will question herself more than she ever did before. She'll reassess her feelings and check if the people in her life are supposed to be there or if she should just take the plunge and try to change things the way she hasn't tried before.

She'll also have to deal with her nightmares - and understand what they're trying to tell them before it gets too late.
