Our Bodies, Ourselves

Boston Women's Health Book Collective, Judy Norsigian

Our Bodies, Ourselves Boston Women's Health Book Collective, Judy Norsigian

Hailed by *The New York Times* as a “feminist classic,” and “America’s bestselling book on women’s health,” the comprehensive guide to all aspects of women’s health and sexuality, including menopause, birth control, childbirth, sexual health, sexual orientation, gender identity, mental health and general well-being.

Six years after the 2005 overhaul of this classic guide to women’s health, the 2011 edition focuses on what *Our Bodies, Ourselves* does best: provide information on women’s reproductive health and sexuality; practical information on how find and access health information; and resources, stories, and information to educate women about health care injustices and inspire them to work collectively to address them. This new edition of *Our Bodies, Ourselves* includes the latest vital information on:

- Changes in the health care system—especially how health care reform affects women and how to get the care you need.
- Safer sex—how to engage in pleasurable, satisfying sexual experiences while protecting your health and the health of your partner.
- Environmental health risks—including minimizing exposure to everyday pollutants that endanger reproductive health.
- Body image—resisting negative media stereotypes and embracing healthier approaches to looking and feeling good.
- Local and global activism—using social media and organizing tactics to build community and advocate for policies that improve women’s lives.
- As well as crucial information about gender identity, sexual orientation, birth control, abortion, pregnancy and birth, perimenopause, and sexuality and sexual health as we age.

Together with its companion website, OurBodiesOurselves.org, *Our Bodies, Ourselves* is a one-stop resource for women of all generations.

From reader reviews:

Edward McCain:

With other case, little individuals like to read book Our Bodies, Ourselves. You can choose the best book if you like reading a book. As long as we know about how is important a new book Our Bodies, Ourselves. You can add knowledge and of course you can around the world by just a book. Absolutely right, since from book you can recognize everything! From your country right up until foreign or abroad you can be known. About simple matter until wonderful thing you are able to know that. In this era, we can open a book or perhaps searching by internet gadget. It is called e-book. You may use it when you feel bored to go to the library. Let's go through.

Maria Blanco:

This Our Bodies, Ourselves is great publication for you because the content and that is full of information for you who all always deal with world and also have to make decision every minute. This book reveal it details accurately using great organize word or we can state no rambling sentences inside it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but difficult core information with wonderful delivering sentences. Having Our Bodies, Ourselves in your hand like having the world in your arm, data in it is not ridiculous one. We can say that no e-book that offer you world throughout ten or fifteen tiny right but this guide already do that. So , this can be good reading book. Hi Mr. and Mrs. active do you still doubt that will?

Harold Morris:

That publication can make you to feel relax. This kind of book Our Bodies, Ourselves was bright colored and of course has pictures on there. As we know that book Our Bodies, Ourselves has many kinds or category. Start from kids until adolescents. For example Naruto or Detective Conan you can read and think that you are the character on there. Therefore not at all of book are generally make you bored, any it can make you feel happy, fun and rest. Try to choose the best book to suit your needs and try to like reading in which.

Joseph Franson:

What is your hobby? Have you heard that will question when you got students? We believe that that question was given by teacher with their students. Many kinds of hobby, All people has different hobby. So you know that little person just like reading or as looking at become their hobby. You have to know that reading is very important in addition to book as to be the matter. Book is important thing to incorporate you knowledge, except your teacher or lecturer. You discover good news or update concerning something by book. Different categories of books that can you decide to try be your object. One of them is Our Bodies, Ourselves.
