**Secret History: Conspiracies from Ancient Aliens to the New World Order** Nick Redfern

History is written by the winners—and the powerful—but how much of it is fiction? And *who* is really in control today? From the dawn of civilization to the 21st century, from ancient aliens to the New World Order, *Secret History: Conspiracies from Ancient Aliens to the New World Order* examines, explores, and uncovers the hidden, overlooked, and buried history of mankind.

The book moves from biblical, Egyptian, Mayan, Greek, and early mysteries of antiquity to the clandestine doings of the Nazis and the Masons and assassination plots of the more recent past to the surveillance, monitoring, mind-control, and secret schemes of today. Researcher Nick Redfern investigates the stories, mythologies, lore behind incredible events and clandestine groups of yesterday and today. More than 60 entries dig deep into the manipulation of events by influential groups, including ...

- Historical riddles—alien visitations, space gods, and human–alien crossbreeding.
- Government cover ups—mind control, murders, scientists, and secret agents.
- Powerful groups and intended consequences—9-11, new world order, bird-flu, and chemtrails.

Tracing the chilling and lasting effects of conspiracies, cabals, and plots, *Secret History: Conspiracies from Ancient Aliens to the New World Order* exposes their deep reach in shaping today's world.
