An astrologer's duty?to interpret and communicate what they see on a chart?is no easy task. They must make creative connections, know what to say when, and help their clients deal with life's most pressing issues.

Noel Tyl illustrates how astrological measurements?through creative synthesis?can be used to effectively counsel individuals. Concrete examples are provided through the horoscopes of 122 celebrities, historical figures, and private clients. Also includes "quick glance" transit tables and a natal and midpoint solar arc analysis directory.
