The Ticket That Exploded (Burroughs, William S.)

William S. Burroughs

The Ticket That Exploded (Burroughs, William S.) William S. Burroughs

In The Ticket That Exploded, William S. Burroughs's grand "cut-up" trilogy that starts with The Soft Machine and continues through Nova Express reaches its climax as inspector Lee and the Nova Police engage the Nova Mob in a decisive battle for the planet. Only Burroughs could make such a nightmare vision of scientists and combat troops, of ad men and con men whose deceitful language has spread like an incurable disease be at once so frightening and so enthralling.
