If you need help with trusts law, then this is the book for you.

This book covers all of the topics that a student reader will encounter in any trusts law or equity course. The text deals with express trusts, resulting and constructive trusts, the duties of trustees, breach of trust and tracing, commercial uses of trusts, charities, equitable remedies and trusts of homes. Extensive updates have been made to the text to consider several major new cases decided since the last edition, including: Supreme Court decisions in *Pitt v Holt*, *Jones v Kernott*, and *Lehman Brothers International v CRC*, the continuing debate about the proper treatment of bribery and many other cases besides.

The law of trusts is built on simple basic principles.
