Dan Krokos

False Memory (A False Novel) Dan Krokos

Winner of the 2013 International Thriller Award for Best Young Adult Novel!

Miranda wakes up alone on a park bench with no memory. In her panic, she releases a mysterious energy that incites pure terror in everyone around her-except Peter, a boy who isn't at all surprised by Miranda's shocking ability.

Left with no choice but to trust this stranger, Miranda discovers she was trained to be a weapon and is part of an elite force of genetically-altered teens who possess flawless combat skills and powers strong enough to destroy a city. But adjusting to her old life isn't easy-especially with Noah, the boyfriend she can't remember loving.

Then Miranda uncovers a dark truth that sets her team on the run. Suddenly her past doesn't seem to matter...when there may not be a future.

Dan Krokos' debut, hailed as a "memorable thriller," (*Booklist*) is a tour-de-force of non-stop action that will leave readers begging for the next book in this bold and powerful new series.
