**"Dark, disturbing, haunting, and beautiful, Skye Warren will take you into the depths of depravity but bring you home, safe in the end."** - Kitty Thomas, author of *Comfort Food*

*Mia longs for the daily torture to end, but one last task keeps her holding on.*

In a betrayal of the crime lord who pulled her from the gutter, she'll free the shipment of human cargo, and if she's lucky, die in the process. The alternative is unfathomable, even to a woman well-versed in erotic torture.

Then she meets the security expert in charge of the shipment--and finds herself face to face with her childhood crush.

The man she once begged for help. The man who failed her.

Tyler Martinez is an undercover FBI agent with one chance to right the wrongs of his past. Thrust deep into the seedy world of human trafficking, he must put aside his guilt over abandoning Mia all those years ago in order to save her now.

Someone's pulling the strings in this sadistic play on trust, but Tyler and Mia may not live long enough to see the curtain fall. *Trust in Me* is a story of erotic pain and incipient romance, spiraling ever faster toward betrayal or redemption.

"Trust In Me is strong, dark and twisted, exactly how a dark erotica book should be." - Darkest Sins

"I was captured from the very first sentence, drawn into the story as if watching it play out in my own mind. The story pacing and flow of information were flawless. The characters were obviously flawed, yet undeniably realistic. No matter how brutal the story it ended with a HEA and a feeling of hope." - Wicked Reads
