Archetypal Psychologies (Studies in Archetypal Psychology)

James Hillman's work has influenced innumerable analysts, psychologists, philosophers, artists, culture critics, and more. The dissemination of his writings has inspired challenging and individual psychological productions worldwide. In this volume, Stanton Marlan has brought together a collection of 27 papers by well-known authors whose work expresses the fecundity and influence of Archetypal Psychology at its best. In addition to these seminal essays, there are many rare photographs, as well as an excerpt from the developing official biography of Hillman. This book highlights the importance, both of Hillman's original contributions, and of current developments in this field.
