Curious George Gets a Medal Hans Augusto Rey

This special gift edition of the H. A. Rey classic features a real medal with an adorable image of Curious George on one side and his rocket ship on the other. The medal hangs from a breakaway velcro ribbon, allowing for safe and easy use.

In this classic story, George tries to write a letter—but when he spills ink everywhere and he tries to clean up, he instead fills the room with soap bubbles. He also frees a pen full of pigs, rides a cow, hitches a ride on a pickup truck, crashes into a dinosaur, and finally—and most importantly—soars into outer space, which results in the happiest day of his life. He gets a medal, of course!
