Grandpa Takes Me to the Moon

Timothy R. Gaffney

Grandpa Takes Me to the Moon Timothy R. Gaffney

It's been many years since Grandpa rocketed to the moon on an Apollo spacecraft, but his grandchild still loves to hear about it. Whenever Grandpa visits, they share a bedtime story in which the two of them blast off together. "Striking....Root captures especially well the camaraderie between the two moon walkers....This book makes a momentous and remote event engagingly accessible."--Publishers Weekly.
