Provides the Most Student Support

Mastering the World of Psychology, 5/e, provides students with more support than ever before, thanks to the Survey, Question, Read, Recite, and Review Learning Method, or SQ3R, which is integrated throughout the text. SQ3R shows students the relationship between psychological theory and learning. It is the strongest and most comprehensive program for measuring progress and attaining successful outcomes in Introductory Psychology.

MyPsychLab is an integral part of the Wood/Wood/Boyd program. Engaging activities and assessments provide a teaching and learning system that measures students' success. With MyPsychLab, students can watch videos on psychological research and applications, participate in virtual classic experiments, and develop critical thinking skills through writing.

This title is available in a variety of formats – digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more. To learn more about pricing options and customization, click the Choices tab.
