The Legend of Arturo King (Legendary Rock Star Series Book 1) L.B. Dunbar

My name is Arturo King, and I'm told I'm a legend in music. My band is called Nights and we got our start at the Round Table in New York City. Raised by a foster father, I didn't know the extent of my inheritance until I was twenty-one, and it was all more than I bargained for. I wanted to play the guitar and rule the world with song, but I learned I have a mother from old money, a dead father who was once a real estate mogul, and a record company that needed some rebuilding. Mure Linn, my friend and mentor, has been by my side through it all, teaching me to play, strengthening my lyrics, and guiding me in the music industry. There was one area he couldn't guide me, though, and that was love. Guinevere DeGrance changed everything for me, I suppose, including the reason I'm here learning the legend of my life without remembering any of it.
