Whole Nother Story Series (3 Book Series) Dr. Cuthbert Soup

From Book 1: The three Cheeseman children, their father, and their psychic dog are all on the run. From whom? Well the CIA, naturally. But also corporate agents #5, #29, and # 207, plus two international superspies -- one of whom happens to be a chimpanzee. They all want Dr. Cheeseman and his late wife's greatest invention-a machine with unspeakable powers-OK, I'll say it. It's a time machine. But it's not working right yet, so put all ideas of time travel out of your head. Instead, please enjoy this high stakes, high action, hijinx-filled chase. And the bizarre characters our Cheeseman friends will meet as they protect not just their parents' invention, but their mother's sacred memory. It's an adventure novel like no other. Oh yeah, and did we mention the entertaining, plot-exposition filled, unsolicited advice you'll receive along the way? So you didn't ask for it? Yeah, that's why it's unsolicited. Unsolicited Advice #1: Read this book. Look for the second book in this series, Another Whole Nother Story-and keep an eye out for book three, coming next year!
