**Jane Wants The Life Of A Dolphin.
Wild. Graceful. Free.**

But these days her life is nothing like that. Between her mother's strict rules and the cliques at school, she feels strapped in a child-sized life vest. It's not until Jane gets a tattoo and befriends popular Sam Rojas, a star on the school's swim team, that her life feels freer. She begins to wonder: Is there a way to be myself and not be alone? While she navigates these murky waters, a wave of events crash down on her, separating her from her family, her best friend Lexie and Sam, who Jane's fallen fin over tail for. Now she must figure out how to surf through rough seas without having everything she cares about pulled under.

DOLPHIN GIRL, author Shel Delisle's first novel, is a story of family, friendship, first loves and most importantly - freedom.
