**Human Development** Diane E. Papalia, Sally Wendkos Olds, Ruth Duskin Feldman

The new edition retains the extensive cross-cultural and multicultural coverage, the innovative pedagogical learning system, and the balance between research and real-life applications that have made this text a favorite of students and professors alike. In the warmly-written and engaging style that is their hallmark, Papalia, Olds, and Feldman continue to provide a chronological view of lifespan development. The tenth edition expands the coverage of cultural and historical influences on development, features the latest research, and introduces marginal callouts integrating the *LifeMap* Student CD-ROM with key concepts in the text.
