Love Him Or Leave Him, but Don't Get Stuck With the Tab: Hilarious Advice for Real Women Loni Love

Laugh-out-loud, no-nonsense relationship advice from Loni Love—comedian and co-host of *The Real* on Fox and BET—reminding women that putting yourself first is the path toward lasting love.

A regular panelist on E!'s top-rated *Chelsea Lately* and a staple on Dr. Drew's *Loveline*, audiences first fell in love with Loni for her relatable brand of social commentary and unique take on love, sex, and dating. Now as co-host of the new daytime talk show *The Real*, Loni doles out romantic advice to an audience of millions every day. *Love Him or Leave Him, But Don't Get Stuck with the Tab* offers down-to-earth wisdom and guidance for single girls, girlfriends, wives, baby mamas, and the chick on the side (because she needs advice, too).

In a fun Q&A format complete with hilarious been there-done that tales, Loni delivers answers to women's most pressing relationship questions—about love, sex, fidelity, finances, in-laws, and everything in between. In the end, she says, you may stick with him, you may bail out, but don't ever be left "stuck with the tab," or letting yourself be taken advantage of. Her message is consistent throughout: If women make themselves the priority, everything else will fall into place. "It's something I think women need to hear over and over again," she says. "Like multiple orgasms."
