**NYPD Red** James Patterson, Marshall Karp

NYPD Red is a special task force charged with protecting the interests of Manhattan's wealthiest and most powerful citizens. When a world-famous movie producer is poisoned on the first day of a Manhattan film festival called Hollywood on the Hudson, they are the first ones called. Then an actor is killed on the set of a film. And a Molotov cocktail explodes at a movie premiere.

Detective First Grade Zach Jordan and his new partner--and ex-girlfriend--Detective Kylie MacDonald are assigned to the case. The killer has every murder, every escape, planned down to the last detail--and he's scripted an explosive finale that will bring New York and Hollywood to its knees. With larger-than-life action, relentless speed, and white-knuckle twists, NYPD RED is a mega-blockbuster from "The Man Who Can't Miss." (*TIME*)
