This package includes MyEdLeadershipLab®.

With its focus on the critical elements of leadership essential for today's school principals, this widely popular resource combines a strong research base with a practical, hands-on approach to help aspiring, new, and experienced educators become effective school administrators. Organized into four sections, *The Principal* presents a vision for leadership and learning and shows how to create a positive school culture, manage the organization, and interact with the external environment. The new edition reflects the evolution in the roles of educational leaders; explores the increased tasks that are requiring principals to expand their toolboxes of skills in such areas as instructional leadership, data analysis, technology, utilization, staff evaluation, and community relations; and looks at the mounting demands to rewrite their job descriptions every year.

Personalize learning with MyEdLeadershipLab®

MyEdLeadershipLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
