Robots is the first book in an exciting, new series from TIME For Kids. Aimed squarely at readers who want to know more, this book answers the questions that children ages 8-12 want to learn the answers to.

Do you know what makes something a robot? Can you name the six types of robots? Can robots really fly? What kinds of robots are being designed by spy agencies, the military, and our first responders? And best of all, what's next?

Rich with photos, facts, and fun, Robots will cover the world of robots as it exists today - and will exist tomorrow.
