The electrifying follow-up to the Dagger Award–winning Raven Black

In this second thriller of the highly acclaimed Shetland Island series featuring Inspector Jimmy Perez, the launch of an exhibition at The Herring House art gallery is disturbed by a stranger who bursts into tears, then claims not to remember who he is or where he comes from. The next day he's found dead. Set in midsummer, the book captures the unsettling nature of a landscape where the sun never quite sets and where people are not as they first seem.
