Amber Knowles, a beautiful high school senior and Florida governor John Knowles's daughter, has everything going for her until she disappears during a cruise to the Bahamas. After an extensive search of the ship *SeaStar*, it's clear that Amber has vanished without a trace. When Governor Knowles receives the distressing news, he asks for Rachel Scott's help.

The teenager's disappearance represents every parent's worst fear, and Rachel, founder of Florida Omni Search, knows only too well what losing a daughter feels like. Her three-year-old, Mallory, went missing five years ago. As she works with FBI special agent, Drake Reynolds, Rachel discovers an organized crime ring linked to the cruise line. The last person known to see Amber aboard the ship was an incognito DEA agent, who also has vanished. Where is he? And where is Amber? Finally, where is Mallory?

Traci Hohenstein's *Asylum Harbor* draws inspiration from the disappearance of Natalee Holloway in 2005 and delves deeply into the mysteries and suspense of missing-person investigations and organized crime detection. The first in a series, *Asylum Harbor* introduces Rachel Scott and her team and compels readers to follow Florida Omni Search and all their investigations.
