Micah: There are lots of reasons to raise the dead - some private, some public. In this case, the feds have a witness who died before he could speak on the record. They want him raised so his testimony can be taken. So here I am, on a plane to Philadelphia, flying off to do my job. But I'm not alone. Micah is with me. Micah, head of the St. Louis wereleopard pard. King to my Queen. The only one of my lovers who can stir my blood with just a glance from his chartreuse cat's eyes. I was happy to have him at my side. Until he mentioned that this will be our first time alone together. No Master Vampire. No Alpha Werewolf. Just me and Micah. And all my fears and doubts... Danse Macabre: Anita Blake needs to be concentrating on a dangerous situation: The ardeur, the sexual power that flows between Anita and Jean-Claude, Master Vampire of the City, and Richard, the volatile werewolf who loves her passionately, is reaching new levels. But as the days pass, Anita's less interested in vampire politics than in an ancient, ordinary dread she shares with women down the ages: She may be pregnant.
