## **The Church: Signs of the Spirit and Signs of the Times (Christian Story, a Pastoral Systematics)**

Gabriel J. Fackre

The latest volume in Gabriel Fackre's "Christian Story" finds the dedicated ecumenist attempting to examine the connections, or lack thereof, between worldwide ecumenical progress and the character of local churches as he observes them in twenty-first-century America. Drawing from his own fifty-year experience in the church as pastor, teacher, and parishioner, Fackre breaks open the myth of the church experience and exposes the reality of modern worship on a local level. "The Church" is rich in insight and fertile in its range of suggestions, most of them aimed at pastors and aspiring pastors -- the men and women who will carry the teachings of the church, its "kerygma," into the next generation and the ones that follow.
