Do you want to reduce the arguments and stress that derive from their sport and when they are competing? Is there a way you can help your child become a WINNER on the field/court and in life too? Founder of the 'Winning Parent' concept, Daniel Massaro has coached a number of elite level international athletes in various sports for 20 years, including his wife, Laura Massaro, who is a World Champion and World Number One Squash Player. Daniel is an internationally respected figure and award winning lecturer who has worked in the highly competitive youth sports arena educating players, coaches, and parents from all corners of the globe. Through these experiences, Daniel has acquired crucial understanding and knowledge regarding what it takes for parents to become 'Winning Parents' in both sport and life. In this book, he provides a distinctive insight into how parents can formulate more powerful, enduring, and effective relationships with their children during their sports journey. Based on academic research, interviews with 'Winning Parents', and current professional performers, these secrets have been packaged into a simple yet innovative 7-stage plan called 'The Winning Flightpath'. "Danny is inspirational and clearly ahead of the game; it is no surprise that he has coached his wife to World Number One. While having the pleasure of working with him on this material, it became clear why, and more importantly HOW, parents can become such powerful forces in their child's sporting experiences.
