A World of Grace: An Introduction to the Themes and Foundations of Karl Rahner's Theology

Organized as a companion volume to Karl Rahner's master work, *Foundations of Christian Faith*, this book, now again available, also provides the most useful introduction to his theology as a whole. Each chapter presents a broad commentary on the corresponding chapter of *Foundations*, beginning with Rahner's method and anthropology and concluding with his theology of the church and eschatology. It includes a separate chapter on Rahner's moral thought. Valuable for classroom or individual use, this volume provides questions for discussion, suggestions for further reading, and an extensive glossary of specialized terminology.
