## **Broken Headbone** Ginny McMath

Ginny McMath's first book allows you to join her hilarious, thought provoking journey of six women taking life by the balls when their husbands walked out with theirs. Broken Headbone travels into these women's brains as they find their way back to themselves, while revealing very personal stories that are wacky, warm and often outrageous! Laughing out loud in places, crying in others, you will find yourself thinking, "For God's sake, snap out of it!" From dressing up for kid's parties to apartment managing crack heads you can't help but wonder if they lost their minds along the way. A fresh, new voice in American writing, Ginny McMath shows us you can heal through humor and by putting one foot in front of the other, arriving at the realization your headbone may be bent but not broken.
