**Generation Zombie: Essays on the Living Dead in Modern Culture** Stephanie Boluk, Wylie Lenz

Growing from their early roots in Caribbean voodoo to their popularity today, zombies are epidemic. Their presence is pervasive, whether they are found in video games, street signs, hard drives, or even international politics. These sixteen original essays by an interdisciplinary group of scholars examine how the zombie has evolved over time, its continually evolving manifestations in popular culture, and the unpredictable effects the zombie has had on late modernity. Topics covered include representations of zombies in films, the zombie as environmental critique, its role in mass psychology and how issues of race, class and gender are expressed through zombie narratives. Collectively, the work enhances our understanding of the popularity and purposes of horror in the modern era.

#### **Dorothy Frazier:**

As a university student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach

Chinese's country. Therefore this Generation Zombie: Essays on the Living Dead in Modern Culture can make you really feel more interested to read.
