*J. Michael Martinez*

**Heredities: Poems (Walt Whitman Award of the Academy of American Poets)** J. Michael Martinez  
In his award-winning first book, J. Michael Martinez reenvisioning Latino poetics and its current conceptions of cultural identity. In *Heredities*, he opens a historically ravaged continental body through a metaphysical dissection into Being and silence. The hand manipulates a surgical etymology through the spine: the longitude where "history gathers in the name we never are." The poems seek to speak beyond codified aesthetics and dictated identity politics in order to recognize a territory of "irreducible otherness" where the self's sinew may be "reeved through revelation" and where, finally, one finds "obscurity bonded to light." This stunning collection heralds the arrival of an important new voice in American poetry.

#### **Christina Pena:**

Is it anyone who having spare time and then spend it whole day by means of watching television programs or just lying down on the bed? Do you need something totally new? This Heredities: Poems (Walt Whitman Award of the Academy of American Poets) can be the answer, oh how comes? The new book you know. You are and so out of date, spending your free time by reading in this new era is common not a nerd activity. So what these books have than the others?

#### **Jackie Armstrong:**

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Heredities: Poems (Walt Whitman Award of the Academy of American Poets) can make you sense more interested to read.
