## Ideas and Ideologies in Twentieth-Century Latin America

The Cambridge History of Latin America is a large scale, collaborative, multi-volume history of Latin America spanning the five hundred years between the late fifteenth century to the present. Ideas and Ideologies of Latin America since 1870 brings together chapters from Volumes IV, VI, and IX of The Cambridge History to provide in one volume the economic, social and political ideologies of Latin America since 1870. This will be useful for both teachers and students of Latin American history and of contemporary Latin America.
