Janice VanCleave's A+ Science Fair Workbook and Project Journal, Grades 7-12 Janice VanCleave
Your all-in-one resource for science fair success Don't wait till the last minute to start preparing for this year's science fair. This book makes it easy and fun to complete a project that you can take pride in, and maybe even take to national and international competitions. You get expert guidance in creating a great project from start to finish, with information on basic science fair procedures, tools, and techniques. You'll also find background experiments to try, pages for taking notes on each topic, and a personal project journal to help you keep track of every step as you choose your project, gather your data, report your findings, and prepare to make a spectacular presentation. The topics covered span the science curriculum and include topics in astronomy, biology, chemistry, earth science, and physics. All the activities can be done either at home or in the classroom with inexpensive and easy-to-find materials. So find out how enjoyable and rewarding completing a science project can really be, and have a great science fair experience!
